43) Kind reference is invited to paras 27-35 of the notes supra in which the then Chairman of the Traffic Board held that the Bus Stand can be constructed on a free site instead of incurring an expenditure of Rs 2,400/- on that account Hence, the District Magistrate, -- Chitaldrug, was informed that only Rs 1,200/- could be granted out of the Road Fund, which was the amount -- required in excess of the Municipal Grant of Rs 3,000/- to construct a Type I Shelter at Rs 4,200/- according to the estimate prepared by the Public Works Department

44) On 24th December 1940, the District Magistrate, Chitaldrug, represented that Rs 1,200/- is not at all sufficient for the purpose as the Dewan was particular in having decent building with modern requirements Hence, he requested that the matter may be reconsidered and at least Rs 3,000/- sanctioned from the Road Fund

45) Again on 26th November 1940 the Chitaldrug Town Municipal Council have represented to the Second Member of Council during his tour in that District, that a sum of Rs 1,200/- has already been spent in constructing a Shelter and that even Rs 3,000/- prayed for by them is quite insufficient for the purpose

Pmd II

46) In view of the above representations, it is for consideration and orders whether an additional sum of Rs 1,800/- may be sanctioned from the Road Fund thus making a total of Rs 3,000/- for Chitaldrug, (Rs 1,200/- already agreed to plus Rs 1,800/- now under consideration),

OFFICE OF THE DEPUTY COMMISSIONER

Dear Mr Mir Safdar Hussain,

page 15

With reference to your No T 1439/40-41 dated 22nd November 1940 stating that a contribution of only Rs 1200/- can be made for the construction of the Bus Stand at Chitaldrug out of the Road Fund being the excess of cost of the type design over the Municipal contribution, I write to state that the Dewan is very particular that the Bus Stand at Chitaldrug should be a decent structure and according to his instructions I have sent the site plan to the Private Secretary to the Dewan and the Government Architect who will get the approval of the - Dewan for the building As the Chitaldrug Municipality has incurred a heavy expenditure of Rs 11,500/- last year, on items of Town Improvement works in connection with the visit of His Highness the late Maharaja of Mysore, they are not in a position to meet the cost of construction of the Bus Stand which is estimated at about ₹ 6,000/- including cost of acquisition Probably a fresh estimate will have to be drawn up after the plan drawn up by - Government Architect is approved by the Dewan I therefore consider it desirable that, at least a sum of ₹ 3,000/- is to be met from the Road Fund as the Dewan is particular that the building should be decent one with modern requirements The Second Member of Council also suggested in his recent tour, in this District, that the entire cost of the building might be met from the Road Fund In view of these circumstances, I request you to reconsider the matter and provide for at least ₹ 3,000/- from the Road Fund for the Bus Stand this year

An early reply is requested

Yours Sincerely

Extract from the representation made to the H Members of Council by the Chitaldrug Town Municipal Council on 26-11-40 during his visit to the place

2 Bus Stand -

The Government has sanctioned Rs 1,200/- for this work

The Municipality has already spent Rs 700/- for removing boulders &c , and Rs. 500/- for widening the road and constructing a tunnel Thus the Municipality has already spent Rs 1,200/- which the Government has granted at present As per type design, the construction of the Bus Stand is estimated Rs 4,200/- and the land to be acquired for this costs Rs 2,000/- in addition Thus the total works upto 6200 plus 1200 ~~equals~~ 7400 Even a grant of Rs 3,000/- which has been prayed for by the Municipality is quite insufficient to this work The plan now received does not provide any waiting shed which is a ~~first~~ dire necessity for a bus stand . Atleast one waiting shed may be taken up during the current year to facilitate the Bus travellers

SUBJECT — Construction of Bus Stand at Chitaldrug

Page 22

With reference to your letter No T 2377/40-41 dated 22nd February 1941 on the above subject requesting me to forward to you the plan and estimate prepared for the purpose stated above, I have the honour to forward herewith as desired by you, the relevant plans and estimate since furnished by the Executive Engineer, Chitaldrug Division, prepared on the lines of the type design furnished by the Government Architect

2 I am to add in this connection that excluding the cost of acquisition and removal of boulders on the site proposed for the bus stand, (which roughly amounts to Rs 2000/-) the scheme for construction of Bus Stand is estimated to cost Rs 6,600/- as could be seen from the Abstract Estimate enclosed in the records The local unicipality had at its meeting held on 29-6-40, resolved that Government be requested to meet half the estimated cost of the scheme the balance cost being shared by the Municipality

Page 3

3 It has already been stated in para 3 of this office

letter

letter No C C 16/40-41 dated 24th July 1940 addressed to the Secretary to Government, Law Department, Bangalore, (requesting for sanction of liberal grant from Government for the purpose) that in view of the straitened finances and heavy obligatory commitments, it would not be possible for the Municipality to meet the entire cost of this work and that sanction of Government be kindly accorded to grant half the estimated cost of the scheme The necessity for the modification of the original estimate has been explained in the report to accompany the estimate and also in my D O letter of even No dated 24th December 1940 addressed to you in the matter

4 In the circumstances, explained therein, I consider it desirable that at least a sum of Rs 3,300/- being the moiety of the estimated cost is to be met from the Road Fund, as the Dewan is particular that the building should be decent with modern requirements

5 In view of these circumstances, I request you to reconsider the matter and provide for at least Rs 3,300/- (being moiety of the estimated cost) from the Road Fund for the Bus Stand

6 After receipt of reply from you, Government will have to be addressed separately for according their administrative sanction to the scheme in question and to permit the local Municipal Council to bear the balance cost of the scheme from Municipal Funds A copy of this letter has been separately forwarded to the Secretary, Law Department, Bangalore, for information of Government

7 The relevant plans and estimate with other concerned enclosures, accompany for reference and kind return when done with The favour of an early reply is solicited
